

WHAT DOES WAR COST

YOU?

Featuring award-winning documentary film “**Why We Fight**”

- What proportion of our tax dollars is spent on war?
- Is U.S. military intervention around the world necessary?
- Is U.S. foreign policy determined by corporate "military-industrial-financial" interests?
- Could we have an economy that doesn't depend on war?
- Could we have constructive jobs for everyone instead of pushing people
- Into warfare for a living?
